Dear Bob,

Here is the story on the Catholic-haters.

I know there are more illustrations here than you can use, but I'm sending them along so you can have a greater selection.

A letter by Col. Sanctuary is not here, though it should be. You'll have it Tuesday morning.

I have no photograph of Smythe addressing the joint meeting of the Bund and Klan at the Bund camp in New Jersey, but the services have them, replete with banners and uniforms. It was last August.

Where I have blacked out names in letters it is because it is necessary. You may not be able to see it in the letter to Dickstein, but I have attempted to erase out his name and the word "Sam" in the salutation. In the last paragraph of this letter "Thorkelson" is ex-Congressman Jacob (R., Mont.) who filled the Cong. Rec. with fascist propaganda.

All photographs are numbered on the back. The numbers on the envelopes containing negatives match these numbers.

Re: Sullivan: I'm attempting to locate my copy of an anti-Catholic speech he made some time ago. I may be able to get it tomorrow, in which event you'll have it Tuesday morning. In any event, the services have photos of him, one at least taken while he was advising Dies at a hearing.

Sincerely, Harold
